WELCOME TO BUILD CITY

WHO WE ARE

An NYC builder community

Build City are the stewards of the NEAR Legion New York City Node.

TODAY

One day of building private AI

A local build day inside the global NEAR Hackathon, on NEAR AI Cloud.

YOUR HOST

Tony Singh

Ask me anything, any time today.

02 / THE BUILDERS CAFE COMMUNITY

JOIN THE BUILDERS CAFE

Builders Café: a series of events we host at local cafés across the city, every week.

They tend to be **research-based**. The events and the WhatsApp group are one of the best ways to keep up.

The **BUILD CITY HACKPACK** is pinned in the Builders Cafe WhatsApp: setup videos, prompts, the ICM guide and how to submit.

NYC IS DAY 11 OF 14

$250K
prize pool, paid in NEAR

13
tracks · Track 3 is Privacy & Private AI

Nov 14
final deadline, 6:59 PM ET

Today is a local build day. You submit your project to the **global** NEAR Hackathon, and you keep three days after today to finish it.

No judging today. The 4:30 demos are a showcase. One project can fit several tracks and is still one submission.

SIX OPTIONAL DIRECTIONS

Healthcare & Personal Data	**Finance & Legal**	**AI Agents**
Agentic Commerce	**Community & Nonprofits**	**Business Automation**

Optional: these are ideas to get you started, not requirements. **Build anything you like.**

Teams of up to 4; solo builders welcome. The NEAR AI team's security & investigations use cases are in the hackpack.

SECTION 02 · 9:55–10:10

NEAR AI CLOUD QUICK START

Four steps to private inference, then how today works.

STEP 1 OF 4 · CHECK IN

REGISTER ON THE CITY NODE APP

Scan the QR with your phone camera, or open **citynode.app/onboard**.

This is how you sign up for today through the NEAR Legion City Node app.

CITY NODE APP

STEP 2 OF 4 · WALLET

CREATE A NEAR WALLET

Use **Meteor Wallet** at **meteorwallet.app**, about a minute:

1	2	3	4	5
Open Wallet	Create a password	Claim your .near name	Create Wallet	Save your seed phrase

Why: the submission form asks for a mainnet NEAR payout account. You need it to submit and to receive funds. Never share your seed phrase.

STEP 3 OF 4 · CREDITS

CLAIM $10 IN AI CREDITS

Go to **nearbuilders.org/dashboard**. One NEAR AI Cloud API key per builder; the offer closes 11/15/2026.

1. **Connect with NEAR**
2. **Sign the message**
3. **Publish a builder profile**
4. **Claim $10.00**
5. **Copy your key**

⚠ Your key starts with **sk-** and shows **once**. Never show it on screen, paste it into a chat or commit it.

STEP 4 OF 4 · CONNECT YOUR AGENT

POINT YOUR AGENT AT NEAR

FASTEST: OPENCODE

1. Install OpenCode
2. Run **connect**
3. Search “Near AI cloud”
4. Paste your key
5. Pick a Confidential TEE model

WATCH: NEAR DEVHUB, 3 MIN

PRIVATE MEANS CONFIDENTIAL TEE

PICK THE RIGHT PRIVACY TIER

Tier	Runs where	Private?
Confidential TEE	NEAR's own GPUs	**Yes.** Prompt and output hidden from everyone, NEAR included
Attested 3P	A third-party TEE	Encrypted path; the provider publishes its own proof
Incognito	The provider's servers	**No.** Only the gateway is in a TEE

Only the model call is private. Your laptop, your agent and the files it sends sit outside the TEE.

MODELS & PRICES

Incognito = Anthropic, OpenAI, Google, xAI and others through NEAR's gateway

Quick start

GETTING HELP · ALL DAY

FIVE WAYS TO GET UNSTUCK

- **NEAR Builders Telegram:** ask in @nearbuilderschat (make a Telegram account first)
- **Builders Cafe WhatsApp:** drop your question in the chat
- **Grab one of us:** we’re walking around the room all day
- **Ask your favorite AI:** paste the error and ask it to explain (never your API key)
- **Ask each other:** the person next to you may have just solved it

DEMOS · 4:30–5:30

SIGN UP TO DEMO

2:30 sign-up opens: link posted in the WhatsApp

4:00 sign-up closes

4:15 running order on screen

4:30 local code freeze, demos start

SLOTS, FIRST COME, FIRST SERVED

Teams signed up	Each demo
10 or fewer	5 min
11 to 18	3 min
More than 18	First 18 demo, 3 min

A showcase, not a contest: no judging, no awards. The global deadline is still Nov 14.

SUBMITTING · BY SAT NOV 14, 6:59 PM ET

SUBMIT TO THE GLOBAL HACKATHON

1. Build it (code since the announcement counts)
2. Publish a **public** repository
3. Post a demo on X: built at NEAR HACKATHON, tag **@buidlcity**, **@NEARProtocol** and **@nearlegion** plus #NEARHackathon, with a video or screenshots
4. Submit the repo link and the X post link

The form asks for your mainnet NEAR payout account. One submission per project.

THE DAY'S RULES

FOUR RULES FOR TODAY

1 **Never show your API key** on screen, in a chat or in a repo.

2 **Build with your own favorite AI tools.** Save your $10 in NEAR credits for your app's private model calls.

3 **Code freeze at 4:30** for the demos. Keep building after; submit by Nov 14.

4 **Teams of up to 4.** One submission per project; solo builders welcome.
